

SAINT DENIS
BEACONS OF LOVE AND MERCY

June 2021

Dear Parents,

I hope you and your family are well and ready to enter the festivities of a long awaited summer!

With joy and hope, we anticipate and look forward to in-person instruction for Religious Education this Fall.

It would be helpful for planning and book purchasing to receive your registration as soon as you are able.

May your summer days be blessed with time for relaxation, refreshment and renewed spirits.

May God bless each of you. Your families are remembered in prayer for a healthy and safe summer.

Sincerely,

Sister Rose Caritas
Director of Religious Education
