

ST. DENIS PREP VOLUNTEER POSITIONS

Spread the gospel through your gift of time, talent and treasure!

*Our parent volunteers keep the program running and keep our children safe. **PREP needs you!***

CATECHIST: **TUITION IS WAIVED FOR PARENTS WHO VOLUNTEER AS A CATECHIST!**

- This position requires an individual to teach a group of about 12-15 students and enable them to learn about the Catholic faith. The following are available to the teacher to supplement the lesson: teacher manual which provides lesson plans and suggested activities for the lesson, student text, prepared testing material, guide, and visual aids.

SUBSTITUTE CATECHIST: would be available to fill in either Monday afternoon or evening in the event that a Catechist is sick or unable to teach class that day. All necessary class materials and lessons are provided.

CLASSROOM AIDE: *We need Class Aides especially for the younger children!*

- This position requires a person to assist the catechist in the classroom each week or every other week (you can share with another parent). It includes distributing and collecting materials, helping with classroom activities, and assisting with small groups or individual students. Aides are especially important in our younger grades where the children require more individual attention. Some children have special needs and having an aide helps tremendously.

HALL MONITOR:

- The individual will monitor the hallways during class. We need at least 1 for each session. This ensures safety for all students. They will escort students to the rest room, assist if a student becomes ill, and generally help Catechists if/when the need arises.

TRAFFIC MONITOR:

- **THIS POSITION IS EXTREMELY IMPORTANT FOR THE SAFETY OF YOUR CHILDREN.** We require a person to direct parking & traffic (automobile & pedestrian crossing) in the schoolyard during dismissal/pickup. Orientation will be provided. Especially in the evening, when it is dark, we like more than 1 person to ensure our children exit safely and traffic proceeds smoothly out of the schoolyard. Please contact Liz Speers for more information. **Tuition waived if you can commit to Traffic either afternoon or evening each week for the year!** If you don't want to commit each week, we can still use helpers when you are available.

VOLUNTEER FORM 2025-2026

Please consider volunteering if you are able.
