

## Saint Denis Parish

Dear PREP Families,

Summer is right around the corner. So that means it is time to register for PREP 2026-2027.

This year we are going electronic. The link can be found on the St. Denis Parish website.

[www.saintdenis.org](http://www.saintdenis.org)

After visiting the website, click on "PREP." A registration link will be available. Click on the registration link.

This link will take you to GiveCentral. If you already have an account, click on Login on the top right-hand side.

If you do not have an account, enter your information. It will give you an option to save your information from year to year. You don't have to remember your password. It does give you an option to log in with a one-time code, should you forget it.

The **Primary Information** is the person entering the information.

- **Family Information** consists of the parents or guardians of the child.
- Next is for **New Families and 1st-Grade Families only**.
- **Student Information** - If you have multiple children, please click on Add Another after each child. **Please do not forget to add an afternoon or evening session.** The Volunteer section is also here. We are always in need of Catechists, Aides, Hall Monitors, and Parking Aides.
- **Registration** gives you the opportunity to pay in 1, 2, or 3 installments. It will automatically be paid through your payment source each month until completed.
- **Important Health Information** - This is very important. We want your child to have the most success at PREP. We can put supports in place for any child who requires them. Please make sure that all questions are answered.

**Please read the Student Guidelines and Responsibilities in their entirety and sign. This policy will be strictly followed and enforced. Please make sure your child is also aware of this policy. This will affect Sacraments and CYO.**

- Lastly is the **Payment Information**. Please select Payment Method.

Kindly,  
Beth Dougherty  
Director of Religious Education
